ABOUT US

Plastilin Plastik Madde olarak, ülkemizin ekonomik büyümesine katkı sağlamak ve sürdürülebilir kalkınmayı desteklemek amacıyla faaliyet gösteriyoruz. Plastik yardımcı ekipman üretiminde edindiğimiz tecrübeyle; kalite, güven ve yenilikçiliği bir araya getiriyoruz.

Körüklü sifonlardan klozet contalarına, temiz su hortumlarından havalandırma menfezlerine kadar geniş ürün yelpazemizle, hem yurt içinde hem yurt dışında bireysel ve kurumsal müşterilere hizmet sunuyoruz.

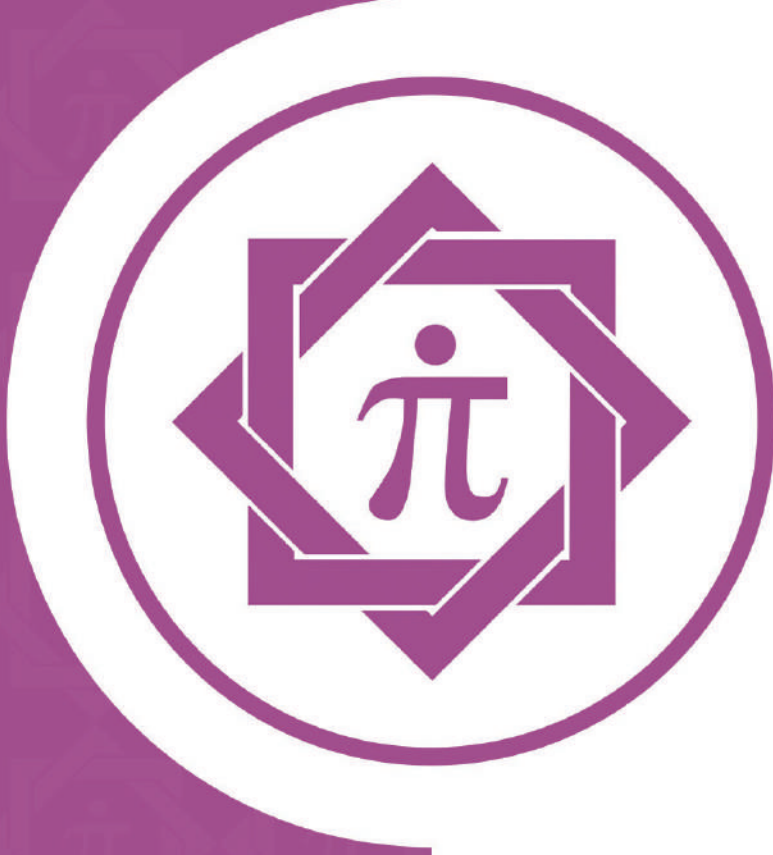

Müşteri memnuniyetini esas alan anlayışımızla, ihtiyaçlara zamanında ve etkili çözümler sunarken; sürekli gelişim ilkemiz doğrultusunda ürün ve hizmet kalitemizi her geçen gün ileriye taşıyoruz.

As Plastilin Plastik Madde, we operate with a mission to contribute to our country's economic growth and support sustainable development. With our experience in the production of plastic auxiliary equipment, we combine quality, reliability, and innovation.

From flexible siphons to toilet seals, clean water hoses to ventilation grilles, we offer a wide product range to serve both individual and corporate customers, both domestically and internationally.

With a customer-oriented approach, we provide timely and effective solutions while continuously improving our product and service quality through our commitment to ongoing development.

Plastiln®

Plastik Mad. İnş. San. & Tic LTD Şti.

Ülke menfaatlerine uygun şekilde ekonominin sağlıklı büyümesine ve sürdürülebilir kalkınmaya katkı sağlamayı amaçlıyoruz.

We are committed to contributing to the healthy growth of the economy and to sustainable development in alignment with the national interest.
